INTERNATIONAL SEARCH REPORT

International application No.

Box I Observations where contain I	PCT/IL03/00658			
Box I Observations where certain claims were found unsearchable (Continuation of Item 1 of first sheet) This international report has not been excelled a first sheet.				
This international report has not been established in respect of certain claims under Article 17(2)(a) for the following reasons:				
1. Claim Nos.: 64-69,71,73,75-81 and 83				
because they relate to subject matter not required to be searched by this Au	thority, namely:			
The subject matter which is to be examined is not properly disclosed. In the	e case of claims 76-79, said claims are			
·				
2. Claim Nos.;				
because they relate to parts of the international application that do not compact an extent that no meaningful international search can be recived as	olv with the prescribed requirements to			
such an extent that no meaningful international search can be carried out, s	pecifically:			
•				
3. Claim Nos.;				
because they are dependent claims and are not drafted in accordance with $6.4(a)$.	se second and third sentences of Rule			
Box II Observations where unity of invention is lacking (Continuation of Item 2 of first sheet)				
This International Scarching Authority found multiple inventions in this international appl	ination as follows:			
	reation, as follows:			
•				
1. As all required additional gentsh formula to the				
As all required additional search fees were timely paid by the applicant, this searchable claims.	international search report covers all			
2. As all searchable claims could be searched without effort justifying an additional fee.	San			
3. As only some of the required additional search fees were timely paid by the report covers only those claims for which fees were paid and the	applicant, this international search			
report covers only those claims for which fees were paid, specifically claims	Nos.:			
	:			
4. No required additional search fees were timely paid by the applicant. Consequently, this international search report is restricted to the invention first mentioned in the claims, it is consequently.				
is restricted to the invention first mentioned in the claims; it is covered by claims Nos.:				
_				
Remark on Protest The additional search fees were accompanied by the applic	ant's protest			
No protest accompanied the payment of additional search f	eos.
